# Study Handout

## Pre-writing

### Task 1 Read this passage and answer the following questions.

#### Super Sonic

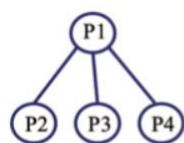

What is your favorite movie? For kids in the US, their answer is *Sonic the Hedgehog 2* (《刺猬索尼克 2》). The movie won Favorite Movie at the 2023 US Kids' Choice Awards(儿童选择奖).

In the story, Sonic has a happy life. The blue hedgehog becomes friends with Tails, a yellow fox. With two tails, Tails can fly like a helicopter. But the bad guy Dr Robotnik (蛋头博士) is here again. This time, he brings a helper, Knuckles, a red echidna (针鼹) with super strength(力量). Sonic teams up with Tails and fights back.

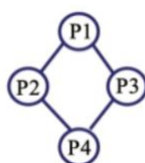

The move is fun and relaxing(轻松的). Many kids like it because of the characters' funny quotes (引语) and jokes. For example, Dr Robotnik introduces Knuckles to Sonic, saying, "Sonic, meet Knuckles. My new BFFAE, best friend forever and ever." Do you sometimes talk to your friends with short forms (形式) like this?

Also, you can see something in Sonic. He is playful and makes mistakes sometimes. But he is brave and always stands up for what is right.
